Brad Griffin
User Experience Designer

Profile

I bring an engineering perspective and creative problem-solving approach to create products and experiences people love to use. Persistence, curiosity and an obsessive attention to detail define me. With a background in SaaS platforms, experience as a digital designer and developer, and Bachelor's education in Digital Web & Web Design, I amcompetent in all aspects of the design process.

Expertise

Design systems
I have designed and maintained several design systems using XD, Sketch, FIgma, and Invision Studio.

Prototyping
I have mastered just about every prototyping tool there is while crafting countless prototypes.
UX writing
The unsung hero of the UX world but a tool I have taken time to hone my skills at.

Animation
I enjoy creating things that move to add the apporpriate form of subtle feedback.

Skills

Adobe XD

Sketch

Invision

Figma

SVGator
